The Vikings once trailed by a score of 45-10 and was behind at half-time 55-28. The final score was a 61-55.

The members of the crew think that their essay of carrying an explosive cargo over a raging sea will be honored by the British. Instead, the crew is received cruelly and forbiddingly.

The movie received one of the Ten Best American Films of the Year Award in 1940 and stars Thoman Mitchell who received the Best Actor Award for his performance, John Wayne, and Barry Fitzgerald.

BASKETBALL

by Bob Lapp

"It was one of those games where we did nothing right and everything wrong. It was the worst game any team I have coached at UMP has had." These were the opinions of Coach Sturgeon after the defeat of our Vikings vs. Bentley College by a score of 102-71 on Dec. 17. The Vikings once trailed by a score of 45-10 and was behind at half-time 55-28. The final score was a big surprise, considering that the

two teams essentially had the same men back from last year. Last year the teams split in their two games, each winning at home.

Bentley has a strong team, and is ranked No. 8 among the small colleges in New England. Both coaches thought the final score would be much closer. High scorer for the Vikings was Freshman Pete Hooper with 14 points. Only other Viking in double figures was Capt. Bob Francoeur with 11, as Coach Sturgeon substituted freely to try and find a winning combination.

The Vikings travel to Farmington tonight (Jan. 5) to play a good Farmington State Teachers College team. Coach Sturgeon promises "a shake-up in the starting unit" in an attempt to salvage a winning season.

Hal Moulton is currently nursing a heel injury which he suffered in the St. Francis game. He was unable to play against Bentley, and Coach Sturgeon hopes he will be ready for tonight's game.

The Vikings return home next Tuesday vs. Bryant College. Bryant defeated the Vikings once this season, and is highly ranked along with Bentley. Try to attend this game. Admission is free;

JOKE OF THE WEEK:

By accident 2 male companions got into a wrong sleeping compartment on a train. The right occupant, an actress from Hollywood, entered the compartment and seeing the two men lounging in her room replied firmly, "I'm sorry, one of you will have to leave; I don't want a scandal!"

NOTICE TO ALL STUDENTS INVOLVED IN TEACHER EDUCATION CONCERNING THE EXPLORATORY FIELD EXPERIENCE (E.F.E. PROGRAM)

In accordance with a University-wide policy, all University of Maine students who plan to teach in public schools will be required to participate in an Exploratory Field Experience (called the E.F.E. program). This will be effective with the class of 1969 and applies to all colleges of the University. It will be one of the firm requirements of the new and strengthened Teacher Program and it will be a specific prerequisite for student teaching.

Because of the many other require-

ments for participation in the Teacher Education Program, it is advisable that the E.F.E. requirement be met during the sophomore year.

Explanatory material concerning the E.F.E. Program is available at the Education Department Office (Room 204-Payson Smith Hall).

STUDENT UNION NEWS

The Winner of the Student Union Pool Tournament was David Smith. There were two people tied for second place: Bob Jarry and Frederick Brown. The Tournament was well attended with much enthusiasm. Another tournament will be held after finals for all those who feel that they just had a "bad day".
